Time to Say *Au Revoir*

“Back home” can conjure up all sorts of comfortable places and experiences in our mind’s eye. As this wonderful cruise comes to an end, we must admit there is a feeling of wanting to be back to the familiar things of our homes, families and friends.

But then, tucked away in our imaginations, is the idea that just maybe the cruise won’t end; maybe we’d like it to go on just a bit longer. After all, we’ve met such beautiful people, and we’ve had such a good time.

Everyone on board has had that warm satisfaction of meeting new friends, sharing the cruise and establishing a camaraderie that has made this trip the best. I’m sure we’ll all remember many things from this special voyage.

During our days, we had the opportunity to enjoy the amenities that make me proud to serve on *Crystal Serenity*. The fine cuisine of course, the entertainers, the warmth and dedication to excellence of the Crystal crew – perhaps the best on the seven seas. These are things not soon forgotten, and things I have been happy to share with you.

A sage once said that “home is where the heart is,” and the heart never lies. Though you are leaving, please know that your friends at Crystal are always ready to welcome you back home aboard the beautiful *Crystal Serenity*.

Bon voyage; have a safe trip home.
