# WELCOME TO ST. GEORGE'S GRENADA

## Port Information

*Crystal Serenity* is scheduled to anchor off St. George's, Grenada, at 8:00 AM today, Sunday, December 31, 2023.

As soon as the ship is cleared by local authorities, an announcement is made that guests may proceed ashore.

Continuous tender service operates from the ship to Melville Street Cruise Terminal in St. George's.

When going ashore please carry your **Guest Identification Key Card** with you, as you must show it to the Security Officer at the gangway when exiting and re-boarding the ship.

Guests are also required to carry a **Government Issued ID** with them ashore.

**Please note: No food, fruit, plants or any meat products may be taken ashore in Grenada due to local Agriculture and Quarantine Regulations.**

The use of Camouflage clothing is prohibited in Grenada.

The terminal exit is directly through the newly opened Esplanade Shopping Mall. Shuttles are not necessary as the town is within walking distance from the pier. Taxis are available at the cruise terminal and fares are negotiable.

Shops are generally open Monday through Friday, however many of the shops will be closed for our Sunday call. There may be a few souvenir and craft shops open while ships are in port.

The unit of currency in Grenada is the Eastern Caribbean Dollar (XCD). The US Dollar (USD) is widely accepted on the island but change will be given in XCD. \$1.00 USD = 2.70 XCD.

*Crystal Serenity* is scheduled to sail for Basseterre, St. Kitts & Nevis at 4:00 PM. The last tender leaves shore at 3:30 PM, all guests back on board, please.

## St. George's Grenada

The rich aroma of cinnamon, nutmeg, cloves and other spices hovers over the fertile, volcanic hills of Grenada. Often called the Spice Island, Grenada has a lot more to offer than just spices. St. George's, the picturesque, small capital with terraces of pale, color-washed houses and cheerful red roofs, has long enjoyed the reputation of having the prettiest harbor in the Caribbean. Established in 1705 by French settlers, who called it Fort Royal, much of the town's present-day charm results from the blend of two colonial cultures, which are reflected in typical 18th-century French provincial houses and fine examples of English Georgian architecture. The mountainous interior rises from a generally rugged coast, which in part is blessed with dazzling white beaches.
