- Do not attempt to embark or disembark from a tender until signaled to do so by a member of the tender crew.
- When stepping in or out of the tender, have both arms free. Please accept the assistance of the crew, but do not grip their hands, as this will immobilize them.
- Please pass hand-carried items to a crew member prior to boarding the tender.
- Be seated as soon as possible after you have boarded the tender and remain seated for the entire tender ride.
- Please do not stand up until the tender has been secured alongside either the tender stage or the landing ashore.
- Listen carefully to instructions given by the tender crew they are there to assist you.
- Smoking is prohibited on board the tender as well as in the embarkation area on board.
- Please notify the tender crew if for any reason you feel uncomfortable.
- Guests in electric wheelchairs or those who are unable to take a few steps without assistance from a supportive device will be unable to board. Please note that collapsible wheel chairs are allowed, but the guest must be independently mobile to board and exit the tender boats. There will be crew members there to guide and steady guests who are embarking the tender, but they cannot support, carry or lift guests on board the tender for safety reasons.
